COVID-19 Outbreak Declared Over

November 22, 2023 – This morning, the COVID-19 outbreak on our Inpatient Unit was declared over by the Haliburton, Kawartha, Pine Ridge (HKPR) District Health Unit. All visitor restrictions at Campbellford Memorial Hospital (CMH) that were put in place due to the outbreak have been lifted. We thank the community for their patience and understanding.

Community members are reminded that mask wearing is still required at all times while at CMH and visitors are asked to self-screen prior to entering the hospital and practice physical distancing while on site.
