**Campbellford Memorial Hospital Recognizes High Achievers and Staff Loyalty**

Campbellford Memorial Hospital's celebrated and recognized the achievements of key staff at its annual holiday celebration on Saturday, December 14.

"I am very proud to recognize the 22 physicians and staff who have contributed 405 years of service to our hospital. Their dedication and commitment contributes toward Campbellford Memorial Hospital being a great place to work. It validates our Mission to relieve illness, pain and suffering, and to promote health for the communities we serve," said Campbellford Memorial Hospital's President and CEO Brad Hilker.

Catherine Holt of Campbellford Memorial Hospital Foundation was the recipient of this year's Marie Reid Bursary also known as the Sunshine Award. Each year the hospital presents this special award to a staff member who has contributed to the well-being and culture of the hospital in the spirit of enthusiasm and interest. The staff member that receives this award:

- Brightens the environment with his/her sunny disposition
- Enriches the lives of others – peers, patients, clients, visitors and the public
- Promotes and practices leadership qualities
- Demonstrates open and honest relationships
- Is committed to the hospital
- Demonstrates going that extra mile
- Provides a supportive holistic approach to peer needs
- Lives the mission, vision, values and culture of the hospital

"The award is the legacy of Marie Reid, a dedicated registered nurse, department head, co-worker, loving wife, mother and special friend to many people," said Hilker, adding: "She had a special gift and I have heard some of the treasured memories of the time that others have shared with her. Marie was an example of a person that can make a difference and it was a pleasure to recognize Catherine Holt as an individual who is also making a difference for our staff, our patients and our community."

Ken Graham, Medical Radiology Technologist and Stewart White, Medical Laboratory Technologist were presented with the Dick Quesnel Bursary, a bursary established by Campbellford Memorial Hospital Foundation to recognize Dick Quesnel's contributions to the hospital. "This bursary is available to CMH employees who have completed additional educational opportunities in pursuit of excellence in health care," said Hilker, adding: "Ken Graham completed the CT Imaging 1 Course and Stewart White

completed the Pharmacology for Health Sciences course. CMH is very fortunate to have employees like Ken and Stewart who continue to pursue educational opportunities ensuring excellence in patient care.”
