

ONE BEDROOM MODEL

A variety of affordable accommodation options for seniors with 49 apartment units – one and two bedroom apartments tastefully decorated and designed for independent living where tenants may add their own furnishings.

TWO BEDROOM MODEL

(different units may have slightly different layout)

OUR MISSION

To provide affordable accommodation units and ancillary services to senior citizens, which maximize independent and productive living within an overall framework of security and care;

To provide a safe and secure environment for senior citizens in need of low and moderate rents;

To provide a sheltered environment which will enhance and encourage independence in activities of daily living;

To provide access to meals;

To support tenant participation in planning and delivery of services;

To provide opportunities for enriched social, recreational activities and companionship.

SERVICES

Courtyard

Our beautiful and private courtyard is scooter, walker and wheelchair accessible to allow everyone the opportunity to enjoy the elegant gardens. Enjoy a book, a cup of tea or visit with a friend while enjoying the peaceful surroundings of our inviting courtyard.

Emergency Response

(Computerized On-Site System)

At the push of a button tenants are provided with the sense of security knowing that a Personal Support Worker is available 24 hours a day, 7 days a week to assist in crisis situations through our on-site computerized alarm system. Tenants have the reassurance of a safe and secure key only access building.

Meal Program

Meals offered include lunch and dinner and can be custom ordered to meet individual needs. For instance, lunch and dinner can be ordered daily or just a dinner meal can be ordered three times a week. Meals are designed to meet the various needs of the tenants and are delivered to their apartment in insulated trays. Diabetic, Healthy Heart, Minced and Regular menus are available*

*Fees apply.

Social/Recreational Program

There are a variety of social opportunities arranged by the Tenants Association. Some activities include social suppers, entertainment and card parties. Movie nights, shuffleboard, quilting and guest speakers are also part of our social calendar.

Tenants Association

The Tenants Association is made up of all tenants who live at the Lodge. It meets once a month (except July and August) to discuss and plan upcoming events.

Amenities

- Pool table
- Shuffle board
- Library
- On-site laundry facilities
- Common area balconies
- Wheel-in shower facility
- Common room for family events with common kitchen
- Balcony or terrace for each apartment

Assisted Living Support

The Assisted Living Program, funded by the Central East Local Health Integration Network (CELHIN) offers 24-hour oversight and Personal care to eligible tenants. (Waiting list applies to this Program) On-site Manager and Program Coordinator are available to all tenants to provide assistance in areas such as health, wellness, security, finances, etc. As well as, make referral to the appropriate services and agencies as needed.
